

Stonington Farmers Market Guide-Lines

Seasonal Fees:

\$20.00 application fee (application fee will be refunded if not accepted into Market)
\$5.00 weekly booth fee

While applications are open to anyone who would like to apply, each year we attempt to accept only those new members who will offer items for sale at the market which are NOT already present in abundance. If you are not already familiar with what items are present at the market, reviewing the member directory may help.

General Guide-Lines:

1. All produce meat & dairy must be grown or raised by the vendor.
2. Baked goods & other food products must be made by the vendor (all state regulations must be observed).
3. Suitability of crafts to be sold at Market will be determined by the Application Committee.
4. Any special circumstances will be voted on by the Application Committee.
5. All vendors are responsible for their own liability insurance as the insurance policy for the Stonington Farmers Market does not cover individual vendors.
6. The Application Committee is made up of 5 market members, that represent different categories of the market. They are elected annually at the Fall members meeting.
7. All vendors selling fresh produce must be in regular attendance by the last Friday in June.
8. Seasonal fruit vendors are welcome to attend the Stonington Farmers Market given the fruit is locally grown by the vendor.
9. The Market runs Fridays from 10:00 am - 12:00 noon.
10. If a vendor must be away some Fridays, they should inform customers as well as a member of the Application Committee one week before their absences.
11. New vendors applying for membership will be evaluated & voted on by the Application Committee. Applicants may be placed on a waiting list if the Application Committee feels that there are enough vendors in a particular category. Preference for vendor space will be given to seasoned vendors.
12. Each vendor is responsible for having a professional looking booth, table or display area.
13. ** If you are required to have a license then please submit a copy of it with the application. You must provide the Application Committee a copy of the proper licensing before you are able to sell at the market.
